

TAFE NSW Institutes 2008

Your unique Australian study experience

Study Nursing in Sydney

4393 Diploma of Nursing (Enrolled/Division 2 Nursing)

This course is for people who want to work as an enrolled nurse. You will be required to undertake clinical work placement in a variety of approved clinical facilities, as an associate to a registered nurse.

You will learn about legal and ethical issues in health care, effective communication strategies, anatomy and physiology and development through the lifespan. A range of medical and health problems and related nursing care in a variety of contexts such as medical/surgical nursing, paediatrics or aged care as well as the administration of medication is also delivered within the course.

When you finish this course you can apply for enrolment with the Nurses and Midwives Board of NSW to practise as an enrolled nurse. Learners must be aware that in order to gain enrolment with the Nurses and Midwives Board of NSW you must demonstrate sufficient physical and mental capacity to practise as a nurse in a range of health care facilities and achieve a score of 7.0 in the IELTS academic module.

Sydney College of English is one of the oldest independent English Language Schools in Australia. Our English courses are of the highest standard delivered by teachers dedicated to their classes. All our teachers are University graduates with specialist qualifications in Teaching English as a Second Language. The school is located within walking distance to TAFE NSW Sydney Institute.

Access Language Centre

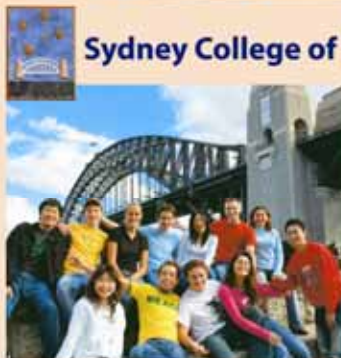

At Access Language Centre, the focus is on acquiring communication skills. The student body is very multi-cultural with students from over 32 countries. General English is the usual course but Academic English, IELTS preparation, FCE/CAE preparation and Business English courses are also available and popular. Access has a unique timetable that has the flexibility of earlier or later starting times and earlier or later finishing times, allowing Demi-Pair and other working students to combine study with work.
