When you arrive in Sydney, please meet your 'Towncars' driver at the correspondent luggage carousel of your flight. The driver will be holding a sign with your name on it. Please hold this document, so it will be easier for the driver to recognise you.

The driver shall arrive 30 minutes after your flight lands. If you have been waiting for more than 30 minutes, please call the emergency number:

+61 4 19 204 989

Agents/students must contact the SCE emergency number for any flight changes. Failing to do so will incur additional cost to the student.
